

HeroQuest Gateway License v1.1

25.10.2009

HeroQuest Gateway License

The HeroQuest Gateway License Agreement (the “**License**”) is offered by Moon Design LLC, a Michigan limited liability company (“**Moon Design**”). The License applies to the use in third party publications of certain proprietary elements of Moon Design’s *HeroQuest* roleplaying game products (“**HeroQuest**”), specifically, the *HeroQuest Core Rules*. Please read this License carefully. By returning the Statement of Acceptance as presented in the file “Gateway Statement of Acceptance.pdf” that is available for download at http://www.glorantha.com/wp/?page_id=94 (“Statement of Acceptance”), the person or entity named on the Statement of Acceptance (“**Licensee**”) expressly agrees to be bound by the terms of this License.

1. Effective Date. The License automatically commences fourteen (14) days after the date Moon Design receives Licensee’s completed Statement of Acceptance, provided the submitter of the Statement of Acceptance has not received a written notice from Moon Design within such fourteen (14) day period declining to offer a License. Licensee represents and warrants that all information provided to Moon Design on the Statement of Acceptance is accurate. Licensee will notify Moon Design of any changes to the information provided on the Statement of Acceptance (including without limitation, name or address change) by submitting a corrected Statement of Acceptance within fourteen (14) days following the effective date of such change. Any failure by Licensee to so notify Moon Design of corrections or updates to the information provided on the Statement of Acceptance will cause this License to terminate upon notice from Moon Design.

2. Updates or Revisions to License. Moon Design may update or revise the License at any time in its sole discretion by posting the updated License on its website page located at <http://www.glorantha.com>

Moon Design will indicate on the License the date it was last updated. Licensee is responsible for checking the License regularly for changes, and waives any right to receive specific notice of changes. Licensee’s continued use of any Licensed Materials (as defined below) after the “Last Updated” date above, including without limitation any publication or distribution of Licensed Products (as defined below), confirms Licensee’s acceptance of any changes to the License and Licensee shall be bound by such revised terms. If Licensee does not accept such changes, the License will terminate pursuant to Section 10.1.

3. Licensed Products. The license granted in Section 4 is for use solely in connection with Licensee’s publication, distribution, and sale of roleplaying games and roleplaying game supplements that contain the Licensed Materials and are published in a hardcover or soft-cover printed book format or in a single-download electronic book format (such as .pdf), and accessory products to the foregoing roleplaying games and roleplaying game supplements that are not otherwise listed as excluded in Section 5.5 (“**Licensed Products**”).

4. License Grant. Subject to Licensee’s compliance with all of the terms and conditions of the License, Moon Design grants Licensee a non-exclusive, non-transferable, royalty-free, worldwide license to utilize the following materials (“**Licensed Materials**”) in Licensed Products, solely in the manner described herein and subject to the additional requirements, limitations and restrictions set forth herein and in Section 5:

4.1 HeroQuest References. Licensee may refer to the proprietary rules and terms of the HeroQuest Core Rules, incorporated herein by reference. Licensee shall not reprint more than 250 words from the HeroQuest Core Rules. Licensee may refer to specific pages from the HeroQuest Core Rules.

Example: The player may take a Ganthorian as a sidekick (see HeroQuest Core Rules page 64).

Licensee will not define, redefine, or alter HeroQuest rules in a Licensed Product. Without limiting the foregoing, Licensee may create original material that adds to the applicability of the HeroQuest rules, so long as this original material complies with the preceding sentence. Moon Design may update or

revise the HeroQuest Core Rules at any time in its sole discretion. Licensee is responsible for checking the Moon Design website regularly for changes, and waives any right to receive specific notice of changes.

4.2 Logo. Licensee must print Moon Design proprietary “HeroQuest Gateway” service mark as presented in either of the files labeled “HQ-logo-gateway.tif and “HQ-logo-gateway.jpg” that are available for download at http://www.glorantha.com/wp/?page_id=94 (“Logo”) on the lower left quadrant of the back cover of each Licensed Product and on the lower one-third (1/3) of the page in which the legal text described in Section 5.2 is located, or if a Licensed Product is made available only in an electronic format, the last page, and sized identically to the Logo as shown in the files listed above. Licensee may additionally utilize the Logo in advertisements and marketing materials (including without limitation, website listings and catalogs) for Licensed Products, provided, that such Logo solely appears in the lower left quadrant of any such advertisement or marketing material; and is sized identically to the Logo as shown in the files listed above.

5. Requirements; Limitations

5.1 Use of Trademarks. Use of any trademarks included in the Licensed Materials is subject to Moon Design trademark usage guidelines, as may be provided from time to time, and is limited to use solely to refer to the HeroQuest Core Rulebook. Licensee will not use such trademarks in any other manner, and will not use any trademarks of Moon Design other than pursuant to this License or another agreement between Moon Design and Licensee.

5.2 Licensed Products Legal Text. Within the first three (3) non-cover pages of all Licensed Products, and, where practical, together with any other legal text supplied by Licensee, Licensee will include the following statements in at least ten-point font:

HEROQUEST is a trademark of Issaries, Inc and Moon Design LLC in the USA and other countries and are used with permission.

5.3 Advertising Legal Text. Licensee will include the following legal text in at least 8-point font in all advertisements and other marketing materials in which the Compatibility Logo appears pursuant to Section 4.2:

HEROQUEST Logo TM & © Issaries Inc and Moon Design LLC in the USA and other countries. Used with permission.

5.4 Licensed Products. This License applies solely to Licensed Products as defined in Section 3 and to the specified uses set forth in Section 4. For the avoidance of doubt, and by way of example only, no Licensed Product will **(a)** use the terms “Core Rules” or “Core Rulebook” or variations thereof on its cover or title, in self-reference or in advertising or marketing thereof; **(b)** reprint any material contained in a Core Rulebook except as explicitly provided in Section 4; or **(c)** be incorporated into another product that is itself not a Licensed Product (such as, by way of example only, a magazine or book compilation).

5.5 No Glorantha Use. Licensed Products under this License shall not reprint, publish, use, or create any derivative material pertaining to the fictional setting of Glorantha, including but not limited to the characters, cults, cultures, events, locations, magic, monsters, and runes of Glorantha, except and unless Licensee has entered into a separate licensing agreement with Moon Design and Issaries authorizing such use. Glorantha is the trademark of Issaries and used with permission by Moon Design.

6. Quality and Content Standards. The nature and quality of all Licensed Products will conform to the quality standards set by Moon Design, as may be provided from time to time. At a minimum, the Licensed Products will conform to community standards of decency and appropriateness as determined by Moon Design in its discretion. Without limiting the foregoing, no Licensed Products will depict in any text, graphical or other manner:

(a) excessive graphic violence or gore;

(b) sexual abuse, pornography, gratuitous nudity of human or humanoid forms, genitalia, or sexual activity; or

(c) existing real-world minorities, nationalities, social castes, religious groups or practices, political preferences, genders, lifestyle preferences, or people with disabilities, as a group inferior to any other group or in a way that promotes disrespect for those groups or practices, or that endorses those groups or practices over another.

Without limiting the foregoing, Licensed Products will not contain any content that is unlawful, defamatory, harassing, threatening, abusive, inflammatory, fraudulent or otherwise objectionable or that would infringe upon or violate the rights of any third party or constitute, encourage, or provide instructions for a criminal offence.

7. Compliance with Laws; Noninfringement. Licensee is solely responsible for ensuring that Licensed Products (a) comply with all applicable laws, regulations, orders and other requirements of any governmental authority in any territory in which Licensed Products are published, marketed, distributed, and/or sold; and (b) do not infringe upon or violate the rights of any third party.

8. Samples

8.1 Right of Review. Upon request, Licensee will supply samples of Licensed Products to Moon Design sufficient for Moon Design to ensure that such Licensed Products conform to the requirements of this License, including without limitation, Section 5, Section 6 and Section 7.

8.2 Copies for Moon Design. Upon publication, Licensee will provide Moon Design with 3 print copies and 1 electronic copy of each Licensed Product.

9. Proprietary Rights.

9.1 Ownership. Licensee recognizes Moon Design's rights and interests in and to all Moon Design Intellectual Property and that all rights therein, including good will pertaining thereto, belong exclusively to Moon Design. Licensee acknowledges and agrees that its use of Licensed Materials inures to the benefit of Moon Design. No right, title, or interest in the Licensed Materials or any Moon Design Intellectual Property is transferred by this License. Licensee understands and agrees that it is not authorized to, and will not utilize, any Moon Design Intellectual Property (other than Licensed Materials), including without limitation any trademarks owned by Moon Design, except and unless Licensee has entered into a separate licensing agreement with Moon Design authorizing such use. Licensee will not attack the title of Moon Design in and to any Moon Design Intellectual Property, nor will Licensee attack the validity of this License. **"Moon Design Intellectual Property"** means any patent, copyright, trademark, trade dress, trade name or trade secret right and any other intellectual property or proprietary right owned by Moon Design or Issaries Inc, in each case whether arising under the laws of the United States or any other jurisdiction, including all rights of registration and renewal and causes of action for infringement or misappropriation related to any of the foregoing.

9.2 Third Party IP. To the extent any Licensed Product contains third party content or any content that is otherwise subject to the intellectual property rights of any third party, including without limitation any patents, copyrights, trademarks, rights of privacy or publicity (**"Third Party IP"**), then, as between Licensee and Moon Design, Licensee is the licensee of all Third Party IP contained in such Licensed Product. Licensee will obtain all required licenses and permissions for its use of Third Party IP in the Licensed Products.

9.3 Protection of Moon Design's Rights. Licensee will assist Moon Design to the extent necessary or as requested by Moon Design to protect any of Moon Design's rights in and to Moon Design Intellectual Property. Moon Design will reimburse Licensee for any reasonable out-of-pocket costs incurred as a result of providing such assistance, provided that Moon Design has approved such costs in advance. Licensee will not institute any suit or take any action on account of any such infringements or imitations, or otherwise institute any suit or take any action relating to Moon Design Intellectual Property. Licensee will take no action that will harm, misuse or bring into disrepute the activities, properties or products of Moon Design or Moon Design Intellectual Property.

9.4 Remedies. Licensee recognizes and acknowledges that its breach of any of the covenants, agreements or undertakings hereunder with respect to use of the Licensed Materials, including without limitation trademark use requirements or quality standards, will cause Moon Design irreparable damage which cannot be readily remedied in damages in an action at law, and may additionally constitute an infringement of Moon Design's rights in Moon Design Intellectual Property, thereby entitling Moon Design to equitable remedies, costs and reasonable attorneys' fees.

10. Termination and Effect.

10.1 Termination. Moon Design may terminate this License and the rights granted hereunder automatically upon written notice to Licensee or upon posting on its website a termination of the HeroQuest Gateway License as applied to all licensees. Licensee may terminate its license hereunder for any reason (other than its own breach of the terms of this License) by either (a) ceasing all use of Licensed Materials, or (b) delivering to Moon Design a written Termination Notice.

10.2 Survival. Sections 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19 and 20 (together with all other provisions that reasonably may be interpreted as surviving termination of this License) will survive the termination of this License.

10.3 Effect of Termination. Within 30 days of termination for any reason other than a termination resulting from Licensee's delivery of a valid Termination Notice, Licensee will cease all use of the Licensed Materials and will destroy all inventory and marketing materials in Licensee's possession bearing the Logo. Licensee will remove the Logo from all advertising, web sites, and other materials. Licensee will solely bear all costs related to carrying out this provision (in addition to any other provision) of the License. Moon Design may, in its sole discretion and upon written agreement between Moon Design and Licensee, extend this License for those Licensed Products that otherwise comply with the terms of this License. Upon termination resulting from Licensee's delivery of a valid Termination Notice, Licensee will have six (6) months from the date listed on the Termination Notice ("**Termination Date**") to use (as authorized hereunder) all Licensed Products, and advertisements for Licensed Products, in Licensee's possession as of the Termination Date. Licensee may not produce new Licensed Products (including without limitation, reprints of existing Licensed Products), nor other authorized materials with the Compatibility Logo after the Termination Date.

10.4 Injunctive Relief. Licensee acknowledges and agrees that noncompliance with the terms of this License may cause irreparable injury to Moon Design for which Moon Design will not have an adequate remedy at law, and that Moon Design will therefore be entitled to apply to a court for extraordinary relief, including temporary restraining orders, preliminary injunctions, permanent injunctions, or decrees of specific performance, without necessity of posting bond or security. The existence of these rights will not preclude Moon Design from pursuing any other rights and remedies at law or in equity that Moon Design may have, including recovery of damages, and each and every remedy will be cumulative and in addition to every other remedy provided hereunder or available at law or in equity. Licensee will be responsible for all legal costs, including Moon Design's attorneys' fees, associated with any action required by Moon Design to enforce the terms of this License.

11. Representations. Licensee represents and warrants that:

- (a) Licensee is the sole author and owner of the Licensed Products; and, to the extent a Licensed Product contains any material contributed by a third party or any other Third Party IP, Licensee has obtained all necessary rights, licenses and/or permissions to use such Third Party IP in such Licensed Product;
- (b) Licensee has full power and authority to enter into and perform its obligations under this License;
- (c) this License does not conflict with any other contract or prior material commitment made by Licensee;

12 Limitation of Liability. THIS LICENSE AND THE RIGHTS PROVIDED HEREUNDER ARE PROVIDED ON AN "AS IS" BASIS, AND MOON DESIGN DOES NOT MAKE, AND HEREBY DISCLAIMS, ANY REPRESENTATIONS OR WARRANTIES, INCLUDING (WITHOUT LIMITATION) IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, MOON DESIGN SPECIFICALLY DISCLAIMS ANY REPRESENTATION OR WARRANTY REGARDING (A) THE AMOUNT OF SALES REVENUES THAT MAY OCCUR DURING THE TERM, AND (B) ANY ECONOMIC OR OTHER BENEFIT THAT RECIPIENT MIGHT OBTAIN THROUGH ITS PARTICIPATION IN THIS AGREEMENT. MOON DESIGN WILL NOT BE LIABLE FOR INCIDENTAL, INDIRECT, CONSEQUENTIAL, OR SPECIAL DAMAGES (INCLUDING, WITHOUT LIMITATION, LOST PROFITS) ARISING OUT OF THIS AGREEMENT.

13. Indemnification. Licensee will defend and indemnify Moon Design and its affiliates, and their respective employees, directors and representatives, against any claim or action brought by a third party, to the extent relating to any demands arising directly or indirectly out of or relating to (a) the Licensed Products, including without limitation, any material contained therein that is alleged to be scandalous, libelous, unlawful, or infringing or violating any copyright, right of privacy, proprietary right, or any other right whatsoever; (b) the breach or alleged breach of any of Licensee's representations or warranties; or (c) Licensee's actions or inactions related to this License. Licensee will pay any award against Moon Design or its affiliates (or their respective employees, directors or representatives) and will reimburse Moon Design for any other damages and liabilities incurred by Moon Design and any costs and attorneys' fees reasonably incurred by Moon Design and/or its affiliates (or their respective employees, directors or representatives) resulting from any such claim or action.

14. Relationship of Parties. This License will not be construed as creating an agency, partnership, joint venture or any other form of legal association between or among Licensee and Moon Design, and Licensee will not represent to the contrary, whether expressly, by implication, appearance or otherwise.

15. No Assignment. Licensee may not assign this License, in whole or in part.

16. No Waiver; Construction. Failure by Moon Design to enforce any provision of this License will not be deemed a waiver of future enforcement of that or any other provision. Any law or regulation which provides that the language of a contract shall be construed against the drafter will not apply to this License.

17. Independent Development. Nothing in this License will impair Moon Design's right to acquire, license, develop, have others develop for it, market and/or distribute materials or products that contain concepts, storylines, characters, images or other content substantially similar to, or otherwise competing with, Licensed Products.

18. Choice of Law; Jurisdiction. This License will be governed by the laws of the State of Michigan, USA, without reference to its choice of law rules. Licensee irrevocably consent to the exclusive jurisdiction and venue of the federal and state courts located at Washtenaw County, Michigan with respect to any claim or suit brought by Licensee arising out of or related to this License, and Licensee agrees not to commence or prosecute any such claim or suit other than in the aforementioned courts. LICENSEE EXPRESSLY WAIVES ITS RIGHT TO A JURY TRIAL OF ANY DISPUTE, CLAIM OR CAUSE OF ACTION RELATED TO OR ARISING OUT OF THIS LICENSE.
